this critical analysis of the bribery act 2010 provides international and eu comparisons and evaluates its enforcement and asset recovery prospects

what are the challenges to the prevention of transnational bribery by multinational corporations in international business transactions this book examines two particular constraints operating on the regulation of transnational corruption in general and bribery in particular firstly it explores the limits of international cooperation in the regulation of transnational corruption and highlights the disparities between the capacities of individual states to pursue adequate regulation it also considers the role and progress of international bodies such as the oecd and the response of selected domestic legal systems in tackling the problem secondly the book examines the liability regime for corporations and again highlights an unexpected shortcoming of multilateral policy in the administration and enforcement of international agreements the book will be of value both to students and researchers with an interest in the regulation of transnational corruption as well as

policy makers and practitioners working in this area
